

Louisiana Automatic Fire Alarm Association
President's Message
September 2009

Roger Bourgeois
LA-AFAA President

September 2009 Issue

The September quarterly meeting is scheduled for September 18, 2009. We are pleased to welcome S&S Sprinkler Co. as our meeting sponsor.

The Educational program should be great. Both Cindy Lirette and the LWCC personnel are developing a quality presentation.

Please invite your office personnel to attend this meeting especially those directly involved with insurance issues. I also challenge you to bring a guest//potential new member to the meeting.

A total of (6) hours continuing education credits will be issued for this meeting. Please register and forward payment prior to the registration deadline, so that your attendance certificate can be issued at the General Membership meeting.

Several questions for the State Fire Marshal Question and Answer session have already been received and forwarded to the Fire Marshal's office this week. Any questions forwarded will be "Banked" for the following meeting.

It's not too early to be thinking about election of the 2009-2010 Board and Officers at the March 2010 Annual Meeting. If you are interested in serving as a Director of the Association, please contact any of the existing Directors.

Meeting registration forms have been e-mailed twice. The form can also be downloaded from the Louisiana AFAA website at www.laafaa.org.
