

# Louisiana Automatic **Fire Alarm** Association

## President's Message

From: Roger Bourgeois

**August 2008**

Dear Members:

I'm trying to get this newsletter out before Hurricane Gustave gets to South-Eastern Louisiana. Hopefully, we'll be spared of the worst of the hurricane.

Reminder No. 1 – Please do not forget to register for the September 19, 2008, quarterly meeting. Notices were e-mailed to all members at the beginning of this month. Since we are using the new Baton Rouge centralized mail box, please don't forget to fax or e-mail a copy of your registration to Mike Jr. at Priority Systems so we can get a good head count. ([mlejeunejr@prioritysystemsinc.net](mailto:mlejeunejr@prioritysystemsinc.net))

Reminder No. 2 – Please don't forget to register for the upcoming inspection and testing seminar on October 28<sup>th</sup> and Intermediate Fire Alarm October 29-30, 2008.

Some of you have asked about video conferencing for the September 19<sup>th</sup>, 2008 meeting. State Fire Marshal Browning was to let me know at the end of this month whether a video conference set-up would be available. I'll hold off contacting him until after Hurricane Gustave, as I am sure his plate is full with Hurricane Preparation matters at this time.

Reminder No. 3 – We are still in need of questions for the State Fire Marshal Questions and Answers session. Please e-mail your questions to me as soon as possible but no later than Tuesday of next week.

Best of Luck in preparing for Hurricane Gustave, and safe travels if you are forced to evacuate.

Sincerely,

Roger Bourgeois  
LA-AFAA President
