

# Louisiana Automatic **Fire Alarm** Association

## President's Message

From: Roger Bourgeois

**December 2008**

Dear Members:

The Holiday Season and End of the year is fast approaching. Louisiana dues invoices for the 2009 dues year were mailed yesterday. Please take time to read the cover letter, listing 2008 achievements.

If you have not been to a meeting, please review the 2009 schedule and "Reserve Time" in your busy schedule for attendance in 2009. The January meeting will be a full day meeting, dedicated to reviewing Plan Review requirements with the Fire Marshal's Staff. In addition to gaining technical knowledge, you will enjoy networking with your peers, and Fire Marshal Staff plus receive Continuing Education Hours.

Please forward any Plan Review Questions you may have to me at [bourgeois@lahotfire.com](mailto:bourgeois@lahotfire.com). Please restrict to Plan Review questions only.

The recent AFAA Training Seminars were a huge success. The Test & Inspection Seminar was attended by 50 persons. The two-day Intermediate Fire Alarm course was attended by 22 persons. The training courses and instructor received a 'very good' or 'excellent' rating by over 90% of the attendees.

Thanks for your support in 2008. The entire Board of Directors join me in wishing you and your associates a Safe and Joyous Holiday Season. We look forward to seeing you at LAAFAA Association Meetings in 2009.

Sincerely,

Roger Bourgeois  
LA-AFAA President
