

Louisiana Automatic **Fire Alarm** Association

President's Message

From: Roger Bourgeois

July 2008

These summer months are really rolling by. As all of you should know by now, AFAA Training Seminars are scheduled for October 2008. The training dates have been promoted in previous newsletters, e-mails, meeting hand-outs, and most recently in the mail out with membership certificates.

The training announcement has also been posted on National's website, and will be posted on our Louisiana AFAA website soon. National AFAA will be sending an e-mail blast plus mailer to all members in the surrounding area.

As of this date, there have been no registrations. Hopefully, you are all waiting to the last minute to register some of your personnel.

The Louisiana AFAA membership is up to 52 members.

Randy Harner is hard at work on the LA-AFAA.org website. The site will be completed soon. He will post an "abbreviated" Membership Listing on the website which will not have contact phone numbers or e-mails addresses listed. Please let me know if for some reason you do not want your company posted on the website as a Louisiana AFAA member.

Thanks for your support. Do not hesitate to contact me at 985-851-0881, should you have any questions or comments.

Sincerely,

Roger Bourgeois
LA-AFAA President
